Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. In this process, Kenyon College will be comparing information from your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. **We strongly encourage families to participate in the IRS Data Retrieval Process that is part of FAFSA on the Web at FAFSA.gov.** If you choose not to take advantage of the IRS Data Retrieval Process or you manually change your tax information on your FAFSA after you transferred tax data, you will be required to obtain and submit parent and student official 2016 tax transcripts from the IRS. **We are not permitted to accept federal tax returns.** Verification must be completed before you may receive financial aid. Complete each section on this form, sign where indicated and return it to Kenyon College, Office of Financial Aid.
